TIME	TOPIC	SPEAKER / RESOURCE	VENUE
	Day 1 - Thursday, 11th September 2025	PERSON	
0930 - 1000	Registration APFSHT - SHTICON 2025 Inaugural Function		Axillary Hall
1000 - 1010 1010 - 1025	About the Society for Hand Therapy, India Group Photo Session & Tea Break Combined Session APFSSH-APFSHT-APWA	Tejashree Dabholkar	
1030 - 1115 1115 - 1200	BB Josh Torthon - Thumbless D Thumbness C R Venkataswami Oration - Rheumabid hand Surgery - the Past, the Present & the Future	Scott Kozin Anthony Berger	Ulnar + Median Hall
1200 - 1215	Tea Break		
	Session I Faculty talk		
1215 - 1230 1230 - 1245	Keynote address: Progress with Purpose FPL rehabilitation & outcomes	Shrikant Chinchalkar Marjolein Wind	Axillary Hall
1245 - 1300	Technology and it's use in upper extremity prosthetic management End of Session I	Deepali Kant	
1300 - 1400			
1400 - 1545 1545 - 1600	Workshop: Tips and Tricks of Dynamic Splinting Tea Break	Shrikant Chinchalkar	
1600 - 1730	Best Oral Paper Presentation Use of patient - reported outcomes for upper limb conditions in Tamil Nadu : a mixed-methods study Perception of cultural sensitivity among occupational therapists working in field of hand rehabilitation in India	Veeragoudhaman TS Disha Save	
	Effectiveness of dynamic splinting in post-traumatic hand stiffness: A Systematic review Effect of graded motor imagery (GMI) vs exercise in the Dart throwing motion (DTM) plane, in improving hand function & ADL performance in patients with distal Radius fracture.	Mansi Muley Subhashree Sahoo	
	The relationship between the hand injury, activity limitation and level of depression The SHUEE assessment: A valuable outcome measure for Single-event multilevel surgery in Paediatric hemiplegic cerebral palsy A bechnological approach to measure hand grip strength and pinch strength: Validity and reliability of a Bluetooth enabled dynamometer in young healthy adults	Vinoth Kumar T Aruna N Roopa Desai	
	The validity and reliability of wrist motion capture in healthy adults using marker less motion capture The role of hand therapists working as advanced practitioners: a scoping review	Paper) Jade Wong (Free Paper)	Axillary Hall
	Prelim. findings from a progressive post-op protocol allowing imm, forearm rotation & graduated wrist motion at 2 wks following combined scapholiquetral capsulodesis & dorsal peripheral TFCC repair Early Mobilization & Physiotherapy Techniques for Addressing Complications in High-TBSA Upper Extremity Burns: From Acute Care to Functional Independence - A Case Study Faculty talk	Rosanne Cross(Free Paper) Ho Wing Kelvin Fung(Free Paper)	
1730 - 1745 1745 - 1800	Sport injuries of the hand and wrist: a quick glance on the pitch Rehabilitation of Hand Fractures in Hongkong	Zulfiquar Rahimtoola Josephine M W[RS]	
1800 - 1815 1815 - 1830	Current concepts of rehabilitation of Radial wrist pain Proximal stability: a key for distal hand functioning; an overview End of Session II	Alpana Joshi Tejashree Dabholkar	
1830 - 1930	Society for Hand Therapy, India - General Body Meeting		
1930 onwards	Musical Osteoblasts and dinner for all delegates End of Day 1		
	Day 2 - Friday, 12th September 2025		
	Session III Faculty talk		
0930 - 0945 0945 - 1000 1000 - 1015	Return to functional capacity after traumatic hand nijury Pain Management in Hand Therapry-Teaching Patient about pain Rationale of spinting in spastic upper limb	Arpita Dharia Kris Tong Duan Lian Shovan Saha	Axillary Hall
1015 - 1030	Rehabilitation and functional outcome of major upper limb replantation Session III - Pause	Gobinath K	
1030 - 1115 1115 - 1200	Combined Session APFSSH-APFSHT-APWA Tajima Oration: When to change gears in your practice & how to keep going	S Raja Sabapathy	
	APFSSH Presidential Lecture: Children with Congenital Hand Differences, their Parents and a Hand Surgeon Combined Session APFSSH-APFSHT-APWA	Goo Hyun Baek	
1200 -1300	Stiff Hand Stiff Finger - PIP/MCP- Surgical Intervention Stiff Finger - MCP/PIP: Hand therapy Intervention	S Raja Sabapathy Shrikant Chinchalkar	Ulnar + Median Hall
	Sair Prige: - McVPrir: - nation briefly intervention Stiff Wrist - Storigical Intervention Stiff Wrist - Storigical Intervention	P C Ho Shovan Saha	
	Stiff Foream - Surgical Intervention Stiff Foream: Hand Therapy Intervention	Chaitanya Mudgal Ellen de Boer	
	end of Geographia		
1300 - 1400	Lunch Break		
	Session IV	Al Ibi	Axillary Hall
1400 - 1545 1545 - 1600		Alpana Joshi	Axillary Hall
1400 - 1545 1545 - 1600	Workshop: Lymphedema management in upper limb Tea Break Faculty talk		Axillary Hall
1400 - 1545 1545 - 1600 1600 - 1615 1615 - 1630	Workshop: Lymphedema management in upper limb Tea Break Faculty 18lk Keynote address: Challenges, innovation & road ahead in traumatic Brachial Plexus injury rehabilitation: An Indian perspective Technology Application in Mailet Finger Rehabilitation - Innovative use of technology & Bailored Splint design in clinical practice.	Chhaya Verma Kelvin LIU	Axillary Hall
1400 - 1545 1545 - 1600 1600 - 1615 1615 - 1630 1630 - 1645 1645 - 1700 1700 - 1715	Workshop: Lymphedema management in upper limb Tea Break Faculty talk Keynote address: Challenges, innovation & road shear in clinical practice. Surgeons Application in Mailer Finger Rehabilitation - Innovative use of technology & failored splint design in clinical practice. Surgeons Application in Mailer Finger Rehabilitation - Innovative use of technology & failored splint design in clinical practice. Surgeons Application in Mailer Finger Rehabilitation - Innovative use of technology & failored splint design in clinical practice.
