Namaste नमस्ते

The Indian Society for Surgery of the Hand (ISSH) and the Society for Hand Therapy India (SHTI) are honoured to host five prestigious conferences in this one mega congress, a four-day festival of Hand & Wrist Surgery and Therapy:

1. 14th Biennial Conference of the Asian Pacific Federation of Societies for Surgery of the Hand (**APFSSH**)
2. 10th Biennial Conference of the Asian Pacific Federation of Societies for Hand Therapy (**APFSHT**)
3. 10th APWA Annual Conference of the Asia Pacific Wrist Association (**APWA**)
4. 48th ISSHCON - Annual Conference of **ISSH**
5. 12th SHTICON - Annual Conference of **SHTI**

The event is expected to be attended by more than 800 Upper limb surgeons from 17 countries (member nations of APFSSH) from Asia Pacific region. Apart from these, given the mega nature of this congress, we expect delegates as well as invited faculty from the rest of the world.

This is traditionally a very academic event and is being held in India after a gap of 25 years. The scientific program comprises of hands-on workshops, five Orations and simultaneous scientific sessions in four halls over four days.

The congress presents an unique opportunity for the industry to connect with 500+ upper limb surgeons from India and 300+ from the rest of the world, under one roof, over four days, in one of the most sought after venues in Mumbai, The Westin Powai Lake.

On behalf of the organising team of APFSSH-APFSHT-APWA Congress 2025, we invite you to participate in this congress. The sponsorship opportunities are mentioned in this brochure.

An event of this nature is not possible without the support of industry partners like you.

We look forward to your wholehearted support.
